CITIUSTECH WINS THE 2011 RED HERRING TOP 100 NORTH AMERICA AWARD

Hollywood, CA (June 16, 2011) - Red Herring announced its Top 100 Award in recognition of the leading private companies from North America, celebrating innovations and technologies across their respective industries.

Red Herring's [Top 100 North America Award](#) has become a mark of distinction for identifying promising new companies and entrepreneurs. Red Herring's editorial staff evaluated the companies on both quantitative and qualitative criteria, such as financial performance, technology innovation, management quality, strategy, and market penetration. This assessment of potential is complemented by a review of the track record and standing of companies relative to their sector peers, allowing Red Herring evaluate the most promising business models in North America.

"Choosing companies with the strongest potential was by no means a small feat," said Alex Vieux, publisher and CEO of Red Herring. "After rigorous contemplation and discussion, we narrowed our list down from hundreds of candidates from across North America to the Top 100 Winners. We believe CitiusTech embodies the vision, drive and innovation that define a successful entrepreneurial venture. CitiusTech should be proud of its accomplishment, as the competition was very strong."

"Being recognized by Red Herring is a significant accomplishment for CitiusTech." said Rizwan Koita, CEO of CitiusTech. "This award is recognition of our efforts towards building leadership in healthcare technology - driving innovation and interoperability in the healthcare industry worldwide."
