## **CitiusTech Attains Gold Certified Partner Status in Microsoft Partner Program**

**Sarasota, FL — August 27, 2008** — CitiusTech, a leading provider of healthcare technology solutions and services, today announced it has attained Gold Certified Partner status in the Microsoft Partner Program. As a Gold Certified Partner, CitiusTech has demonstrated its expertise in leveraging Microsoft technologies to meet the growing needs of its healthcare customers.

CitiusTech helps healthcare organizations enhance clinical and financial performance by providing software engineering, business intelligence and interoperability solutions. In addition to doing extensive development on the .NET 2.0 and .NET 3.0 platforms, CitiusTech has built significant expertise in healthcare business intelligence using Microsoft Business Intelligence tools (Performance Point 2007, SharePoint 2007, SQL Server 2005 and Microsoft Business Intelligence Studio), Service Oriented Architecture and in using Microsoft BizTalk Server (including HL7 Accelerator for BizTalk Server) for solving complex problems in healthcare interoperability. CitiusTech has a strategic relationship with the Microsoft Health Solutions Group and has an active practice area – VaultAssist – for enhancing enterprise-patient connectivity using Microsoft HealthVault – Microsoft’s leading consumer health platform.

“Attaining Microsoft Gold Certified Partner status is an important milestone for CitiusTech. It underscores our capabilities in healthcare and our expertise on Microsoft technologies,” said Jagdish Moorjani, Chief Operating Officer at CitiusTech. “We will continue to focus on leveraging Microsoft technologies to develop cutting-edge, reliable and cost-effective solutions.”

“CitiusTech is enabling healthcare organizations to improve efficiencies and workflows by building high-quality solutions on Microsoft technologies,” said Bert Van Hoof, Director Partner Development at the Microsoft Health Solutions Group. “Achieving Microsoft Gold Certified Partner status demonstrates that CitiusTech strives to introduce the latest technology in the healthcare industry.”

The Microsoft Partner Program was launched in October 2003 and represents Microsoft’s ongoing commitment to the success of partners worldwide. The program offers a single, integrated partnering framework that recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partners’ businesses be successful.
