FOR IMMEDIATE RELEASE

CITIUSTECH LISTED AMONG THE TOP 100 HEALTHCARE TECHNOLOGY COMPANIES OF 2017

Princeton, NJ (June 8, 2017) – CitiusTech, a leading provider of healthcare technology services and solutions, today announced that it has been featured in the prestigious 2017 Healthcare Informatics 100 list for the second consecutive year.

Healthcare Informatics annually ranks top healthcare technology companies with the highest revenues derived from healthcare IT products and services earned in the U.S. CitiusTech is honored to have joined the elite list of organizations recognized by *Healthcare Informatics*. CitiusTech has continued to exhibit a strong revenue growth over the last five years, and in 2016, achieved revenues of $112 million. CitiusTech's net promoter score (NPS) of 67 percent – the highest in the industry – is a testament to its commitment to help organizations achieve their desired outcomes.

"As healthcare innovation accelerates, organizations need strong partners to help them drive business performance using the right mix of technology and healthcare expertise," said Rizwan Koita, Chief Executive Officer, CitiusTech. "I am pleased CitiusTech's strong client partnership model and high NPS scores have enabled us to maintain our growth momentum. We are proud to be recognized in HCI 100 ranking for the second year in a row."

CitiusTech leverages the power of emerging technologies like big data, mobile, predictive analytics and cloud computing to help organizations solve complex business challenges, improve quality of care and accelerate innovation.
