

## FOR IMMEDIATE RELEASE

### CITIUSTECH NAMED AS 2015 GOLD STEVIE® AWARD WINNER

*Recognition reaffirms company's commitment to accelerate technology innovation in healthcare and enable value-based healthcare outcomes*

**Princeton, NJ (September 15, 2015)** - CitiusTech, a leading provider of healthcare technology solutions, has been honored with the prestigious 2015 Gold Stevie® Award for the 'Most Innovative Tech Company of the Year' at the 13<sup>th</sup> annual American Business Awards.

CitiusTech won the Stevie Award for the 'Most Innovative Tech Company of the Year - up to 2500 Employees - Computer Software 2015' and is honored to have joined the elite list of organizations that have been recognized by the American Business Awards in different categories. The winners were selected from over 3,000 entries, judged by over 200 executives nationwide.

"We are proud to receive this award and be named as the most innovative technology company of the year. The award underscores CitiusTech's progressive outlook that is much needed in today's dynamic healthcare market and ability to continuously leverage innovations to enable healthcare organizations to offer better care," says Dennis Swarup, Vice President of Corporate Development at CitiusTech. "Our rapid growth is driven by our deep healthcare domain expertise and world-class technology professionals that has helped us to pave way for more affordable healthcare and stay ahead of the curve."

CitiusTech has been specifically recognized for its cutting-edge solutions around big data, cloud, mobile and advanced analytics for healthcare. CitiusTech's flagship product, [BI-Clinical](#), is one of the most widely used healthcare BI and analytics platforms, with deployments at over 4,000 provider locations across North America. CitiusTech's [H-Scale](#) and [M-Verge](#) solutions are driving enterprise adoption of big data and mobile technologies in healthcare organizations. Recently, CitiusTech has launched [Medictiv](#) to offer predictive analytics solutions and services to its provider, payer and life sciences customers.

#### About CitiusTech
