

**Job Title:** Technical Specialist(s) (full time; multiple openings), Job Code – CTI51.

**Work Experience Required:** 2 years.

**Location:** Princeton, New Jersey and various unanticipated locations throughout the U.S.

**Duties:**

- Help team members in design software applications and interfaces.
- Work with business users to gather and understand data requirements.
- Analyze and interpret various data to determine the requirements for software application interface.
- Design and implement new software interfaces.
- Test interfaces before implementation to ensure they perform as expected.
- Prepare test cases as required.
- Conduct code review for interfaces to ensure they meet performance and quality standards.

Must have a Bachelor's Degree (or foreign equivalent) in Computer Science, Engineering (any), or related field, plus two years of IT experience. The two years of IT experience must include experience with SQL, Spring, HL7, and Java. In lieu of a Bachelor's Degree (or foreign equivalent), we will accept a Bachelor's Degree (or foreign equivalent) earned through any suitable combination of education, training, and/or experience, as determined by a professional evaluation service. Travel to various CitiusTech sites and clients' sites required based on project need. Domestic and international travel expected to take up to approximately 10% of the time per year. Travel and reimbursement costs reimbursed by the employer based on internal policy. Incidental telecommuting permitted. Salary offered is \$132,350.00 per year, plus standard company benefits including medical, dental, and vision insurance; 401(k); paid time off; sick leave; paid national holidays; company-paid life and disability insurance; and access to additional voluntary benefits. EOE M/F/D/V.

Please apply by forwarding resumes to CitiusTech Inc. at [us\\_jobs@citius.tech](mailto:us_jobs@citius.tech). Please indicate the reference code(s) with respect to your position of interest in your communication. REF: CTI51.
