

Job Title: Senior Technical Specialist (full time; multiple openings), Job Code – CTI54.

Work Experience Required: 2 years.

Location: Princeton, New Jersey and various unanticipated locations throughout the U.S.

Duties:

- To gather and understand the legacy data warehouse systems to provide a solution for seamless integration to the technologies used in the US healthcare industry.
- Implement database architectural strategies during the modeling, design, and implementation stages to meet business requirements.
- Design and implement warehouse database structures by supporting data mapping and data modelling activities.
- Develop data warehouse process models, including sourcing, loading, transformation, and extraction, by working with and supporting ETL development, QA, and UAT assignments to support end-to-end lifecycle of data warehouse projects.

Must have Master's Degree (or foreign equivalent) in Computer Science, Engineering (any), or related field, plus two years of IT experience. One of the two years must include experience with DataStage, SQL Server, JIRA, Oracle and Informatica. In lieu of the above education and experience requirements, we will accept a Bachelor's degree (or foreign equivalent) in Computer Science, Engineering (any), or related field, plus five years progressive post-bachelors IT experience. One of the five years must include experience with DataStage, SQL Server, JIRA, Oracle and Informatica. Any suitable combination of education, training, or experience is acceptable. All experience may be acquired concurrently. Travel to various CitiusTech sites and clients' sites required based on project need. Domestic and international travel expected to take up to approximately 10% of the time per year. Travel and reimbursement costs reimbursed by the employer based on internal policy. Incidental telecommuting permitted. Salary offered is \$132,350.00 per year, plus standard company benefits including medical, dental, and vision insurance; 401(k); paid time off; sick leave; paid national holidays; company-paid life and disability insurance; and access to additional voluntary benefits. EOE M/F/D/V.

Please apply by forwarding resumes to CitiusTech Inc. at us_jobs@citius.tech. Please indicate the reference code(s) with respect to your position of interest in your communication. CTI54.
