

Job Title: Sr. Technical Specialist - QA (full time; multiple openings), Job Code – CTI55.

Work Experience Required: 2 years.

Location: Princeton, New Jersey and various unanticipated locations throughout the U.S.

Duties:

- To design test plans and strategies for clients in the US healthcare industry.
- Analyze the software application to understand it from a domain perspective.
- Create new testing strategies & improve existing test strategies for efficient Quality Assurance.
- Create stored test procedures to support automated testing, develop automated testing frameworks, write test scripts, monitor testing workflow and create QA database tables to store test data.

Must have Master's Degree (or foreign equivalent) in Computer Science, Engineering (any), or related field, plus two years of IT experience. One of the two years must include experience with SQL Server, REST API, Selenium, TFS and HL7. In lieu of the above education and experience requirements, we will accept a Bachelor's degree (or foreign equivalent) in Computer Science, Engineering (any), or related field, plus five years progressive post-bachelors IT experience. One of the five years must include experience with SQL Server, REST API, Selenium, TFS and HL7. Any suitable combination of education, training, or experience is acceptable. All experience may be acquired concurrently. Travel to various CitiusTech sites and clients' sites required based on project need. Domestic and international travel expected to take up to approximately 10% of the time per year. Travel and reimbursement costs reimbursed by the employer based on internal policy. Incidental telecommuting permitted. Salary offered is \$128,606.00 per year, plus standard company benefits including medical, dental, and vision insurance; 401(k); paid time off; sick leave; paid national holidays; company-paid life and disability insurance; and access to additional voluntary benefits. EOE M/F/D/V.

Please apply by forwarding resumes to CitiusTech Inc. at us_jobs@citiustech.com. Please indicate the reference code(s) with respect to your position of interest in your communication. CTI55.
